

DRAIN CLEANERS AND MAINTAINERS

BAC-O-MATIC

Waste Liquefier & Odor Eliminator

BAC-O-MATIC is a ready-to-use blend of cultured live bacteria and special bioactive solubilizing agents. Formulated with extremely effective, instant odor controlling ingredients that instantly control odor in garbage and waste receptacles, porta-toilets, and carpet. Bac-O-Matic will digest uric salts on floor tiles around toilets and urinals in the restroom. Also effective in drain lines, grease traps, septic tanks and sewage treatment systems to eat away grease and other organic waste that line the pipes creating odors and slow flowing drains. pH 8

USE ON

- Drain Lines
- Port-A-Toilets
- Restrooms
- Grease Traps
- Carpets
- Dumpsters
- Trash Cans

USE IN

- Food Service
- Hospitals
- Health Care
- Country Clubs
- Athletic Clubs
- Restaurants
- Hotels/Motels

USE FOR

- Uric Salts
- Pet Odors
- Smoke
- Urinals
- Sinks
- Flooring
- Mold

DIRECTIONS FOR USE

For odor control in and around urinals, garbage receptacles, and other problem areas using a trigger sprayer, directly spray onto problem surfaces until soaked. Allow to air-dry.

Carpets: To remove pet and other odors from carpets, using a trigger sprayer, directly mist onto carpet.

Grease traps - Pour in sink or pipeline closest to the grease trap. Use 4-5 ounces daily for traps with less than 25 cubic feet capacity. For grease traps larger than 25 cubic feet, use 8-12 oz. daily.

Septic tanks - Add 1 pint per 25 cubic feet capacity for the initial treatment. Thereafter, use 8 oz. per week. This should be poured directly into toilet and flushed. If septic tank has become clogged and odorous, add 1 quart of product directly to the tank through manhole.
