EASY

Foaming Decarbonate

EASY is a fast acting remover of baked-on fats, greases, proteins, and carbohydrate residue of animal and vegetable origins. Its unique formula allows the foam to cling to vertical surfaces for virtually unlimited contact time without dripping. This allows it to penetrate and loosen burnt-on soils so they can be wiped off and rinsed clean. Easy is non-toxic, non-flammable and there are no harmful fumes. pH 13.5

USE ON

- Ovens
- Grills
- Hoods
- Chrome
- Stainless Steel
- Fryers
- Porcelain

USE IN

- Schools
- Hospitals
- Caterers
- Cafeterias
- Apartments
- Restaurants
- Institutions

USE FOR

- Greases
- Proteins
- Carbohydrates
- Baked on Fats
- Deep Fryers
- Vertical Surface
- Smoke

DIRECTIONS FOR USE

1. Apply EASY to warm or cold, soiled surfaces. Allow to contact for 3 to 15 minutes until product has ample time to penetrate stubborn soils. 2. Wipe off and rinse clean. 3. For heavy build-up, an additional application may be required.

NOT RECOMMENDED FOR USE ON ALUMINUM OR OTHER SOFT METALS
