STRIP-EASE

Non Ammoniated Stripper

STRIP-EASE is a non-ammoniated floor stripper and cleaner. The unique chemical elements in Strip Ease quickly penetrate to dissolve layers of floor finish. Strip Ease has no harsh ammonia fumes. In addition, Strip Ease is very effective at cutting through grease, oil, and dirt and can be used with hot, cold, hard, or soft water.

USE ON

- Resilient Floors
- Terrazzo
- Vinyl
- Cork
- Asphalt Tile
- Rubber
- Linoleum

USE IN

- Schools
- Hospitals
- Churches
- Country Clubs
- Restaurants
- Hotels/Motels
- Rubber

WHY USE

- Labor Saving
- Powerful
- Versatile
- Pleasant
- Economical
- Biodegradable
- Effective

DIRECTIONS FOR USE

FOR REMOVING WAX & FINISH:

Mix 1 part STRIPPER to 10 parts *hot* water. Mop floors using solution freely. Allow to stand for 5 to 10 minutes or until wax is dissolved. Best results are obtained with a floor machine. Rinse well with clear water making sure all old finish, wax, and stripper are picked-up. Let floor dry completely.

FOR WAX BUILD-UP:

Mix 1 part STRIPPER to 5 parts water and follow above procedure.
