

ODOR CONTROL

KNOCK OUT

Cannabis Smoke Odor Eliminator

KNOCK OUT eliminates unpleasant odors left behind from cannabis smoke. **KNOCK OUT** works through a two-fold process. This product contains a new generation fragrance that will reconfigure the malodors so that the human senses do not detect the obnoxious smell. This product will continue to work through a microbial process that absorbs odor molecules and terpenes, leaving the treated surfaces with a fresh clean fragrance.

- *Cannabis Stench*

DIRECTIONS FOR USE

Apply through mist-type sprayer for best results, to eliminate cannabis odors from drapes carpeting, upholstery, porous materials and textiles. Spray directly onto the surface. Be sure to saturate cloth materials to insure solution reaches the source of the odor. Allow product to air dry. Can be used in auto interiors by spraying on fabrics and in air handling units or wiping on surfaces. When spraying textiles test on inconspicuous area for color fastness before use. Use Caution when spraying silk products or fabrics affected by water.
